Judge Hammer,

I am informing the court that all parities have consented to reschedule depositions. I am applying for the courts authorization to reschedule of the deposition slated February 3, 2021 to a new date of February 27, 2021. Heavy snow has forced the closure of business for two days which necessitates our hands-on operation during the scheduled deposition window.

Also, NEXT and I have opened serious discussions around settling this matter and the allotted time would be used to explore and potentially finalize a settlement. I strongly believe that all parties can come to a resolution.

Thank you,
